Join the Organic Research Centre's Farmer and Business Supporters' Group

As a farmer and/or business operator, we hope you will have benefited, directly or indirectly, from the work we have undertaken, including our work to help ensure fair support payments for organic producers. To help us be more effective we would like to invite you to join our newly established [Farmer and Business Supporters' Group](#). In return for a commitment to a regular donation to support our work, the new Group provides an opportunity for us to say thank you for your support and to give you something back, including an opportunity to have a say in, and get involved with, our future activities. As an added bonus, if you sign up to the group in May, you will be entered into our draw for a Daylesford Organic cheese hamper, to be drawn on 1st June. [More...](#)
