

**THE ORGANIC RESEARCH CENTRE
Newbury, Berkshire, UK**

LIVESTOCK RESEARCH COMMUNICATOR (G6)

REF: RES1901

Salary range: £23,827 - £29,271

The Organic Research Centre (ORC) is looking to appoint a Livestock Research Communicator who will be based at ORC's Elm Farm site near Newbury in Berkshire.

Candidates should possess a BSc (at least 2.1) in Agriculture, Biology or related subject. Further study either in Research Communication or with a focus on Knowledge Exchange is desirable. Some research experience in agroecology, organics, livestock production or sustainability assessment is essential in addition to a track record of publishing for technical and non-technical audiences. The post is initially for 12 months, with the possibility of extension.

Excellent communication skills, both oral and written are essential. An interest in the environment and organic farming is desirable.

Applications must be on an ORC application form. Further details and the application form can be obtained from the Organic Research Centre at recruitment@organicresearchcentre.com Please quote reference **RES1901**.

Further information on ORC can be obtained from the ORC web site (www.organicresearchcentre.com).

The closing date for applications is **9am on Monday 11 February 2019**
Interviews will be held at ORC, Elm Farm on **Thursday 21 February 2019**
